

**DINO THEO ATLANTIS M.C., S.L.**  
General Ship Suppliers & Ship Services

## Who we are ?

Our company is a family owned group of companies, dedicated to solve at various areas of the commercial shipping industry, the day to day necessities, based on experience and team work, as well our most important asset, client care.

Our group it has four main business areas :

**DINO THEO ATLANTIS M.C., S.L.**

General Ship Suppliers & Ship Services

**D.KORONAKIS S.A.**

Wires & Mooring Ropes

**HELEXCO CO LTD**

Gas Detection Solutions

**TENME IS DIAKOU & CO**

Marine Safety Inspection

You can benefit from our services at: Spain , Gibraltar, Portugal, Greece, South France and Turkey . \*

\* Not all services are available at all covered area.

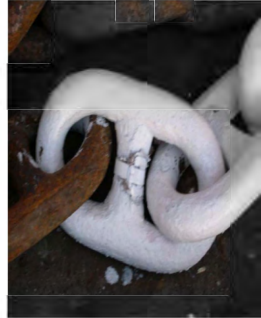

# General Ship Supplies

Our company can provide general ship supply services at all most Spanish ports, as well as Gibraltar, South of France, Portugal and Greece.

We can answer to any quote with a short period of time. Main coverage areas are: Provisions, deck, engine, safety, cabin & galley, electrical equipment and tools.

## DECK EQUIPMENT :

- Rope, Hawsers, anchor & chains.
- Cargo and deck Equipment
- Marine Paints & Paint spraying equipment.
- Houses and couplings
- Lubricants, chemicals, solvents & Cleaners.
- Powered tools & equipment
- Hand tools.
- Cutting tools.
- Measuring Equipment.
- Steel / Metalwork.
- Fastenings.
- Pipe & Tube fittings.
- Valves.
- Bearings.
- Electrical Equipment.
- Packing & Joins.
- Welding Equipment.
- Electrical motors.

## ENGINE EQUIPMENT :

- Marine Paints & Paint spraying equipment.
- Hoses and couplings
- Lubricants, chemicals, solvents & Cleaners.
- Powered tools & equipment
- Hand tools.
- Cutting tools.
- Measuring Equipment.
- Steel / Metalwork.
- Pipe & Tube fittings.
- Valves.
- Bearings.
- Electrical Equipment.
- Packings & Joins.
- Welding Equipment.
- Thermometers and Gauges.
- Fastenings.

## SAFETY EQUIPMENT

- Life rafts from 6 to 25 persons.
- Life raft & Life boat equipment.
- Lifejackets and buoys.
- Immersion suit sand thermal aids.
- Pyrotechnics.
- Extinguishers, Fire hoses & couplings.
- Breathing Apparatus, EEBD.
- Gas Detectors RKI.
- Calibration Gases.
- Safety clothing.
- IMO Symbols.
- Logbooks.
- Food and Water rations.
- Pilot Ladders & embarkation Ladders.

## BRIDGE EQUIPMENT

- Clocks and Clinometers.
- Windscreens.
- Navigation lights & day Signals.
- Flags & Chart table instruments.

# Specific Supplies & Spare Parts

## PUMP MAKERS

ALLWEILLER , COFFIN , DESMI , EBARA , HAMWORTHY , HEISHIN , IMO , IRON , ISHII , ITUR , JMW , KAWASAKI-IMO , KOSAKA , K.S.B , NANIWA , NIREX , RUHRPUMPEN , SHINKOKINZOKU , TAIKO KIKAI , THUNE EUREKA , TEIKOKU , BEHRENS

## AIR COMPRESSORS

HAMWORTHY , TANABE , TEIKOKU , SPERRE

## PURIFIERS

ALFA LAVAL , MITSUBISHI , WESTFALIA

## PARTS FOR ANY TYPE OF MAIN ENGINE AND DIESEL GENERATOR

SULZER, B&W, MITSUBISHI, MAN, HANSIN PIELSTICK, AKASAKA, any type:

Piston Crowns ,Cylinder Covers , Skirts , Piston Rods , Valves , valve Seats , Valve bodies , Liners , Liners for D/G , Cylinder Heads for D/G , Connecting Rods , Piston aluminum.

## TURBOCHARGERS & SPARE PARTS

New or used spare parts and complete turbochargers off all types made by ABB-VTR, MITSUBISHI - MET MAN - B & W, NAPIER, KBB according to the manufacturer specifications.

## IMPORTS & TRADING OF HIGH PRESSURE RUBBER HOSES AND ALL TYPES OF COUPLING

- METALLIC HOSES DIN<sub>2391</sub> OF HYDRAULIC CIRCUITS
- FLEXIBLE HOSES HIGH,MIDLE AND LOW PRESSURE
- INOX INOFLEX HOSES FOR HIGH TEMPERATURE , STEAM , OIL , PETROLEUM & CHEMICALS
- QUICK COUPLING FITTINGS ERMETO TYPE
- HYDRAULIC HOSES TAYLOR MADE

## TEMPERATURE MEASUREMENTS

The product categories of the temperature sensors are :

- Thermocouples (K , J , N , R , S , B ,etc)
- Resistance thermometers ( PT 100 , PT 1000 , Ni 100 etc)
- Thermistors (NTC,PTC)
- Special cables (compensating , extension , instrumentation cables)
- Accesories : connection heads , connectors , pockets , ceramic , high temperature tubes
- Transmitters : 4-20mA , 0-1V , HART , Profibus , ATEX etc.
- Portable instruments , Calibrators

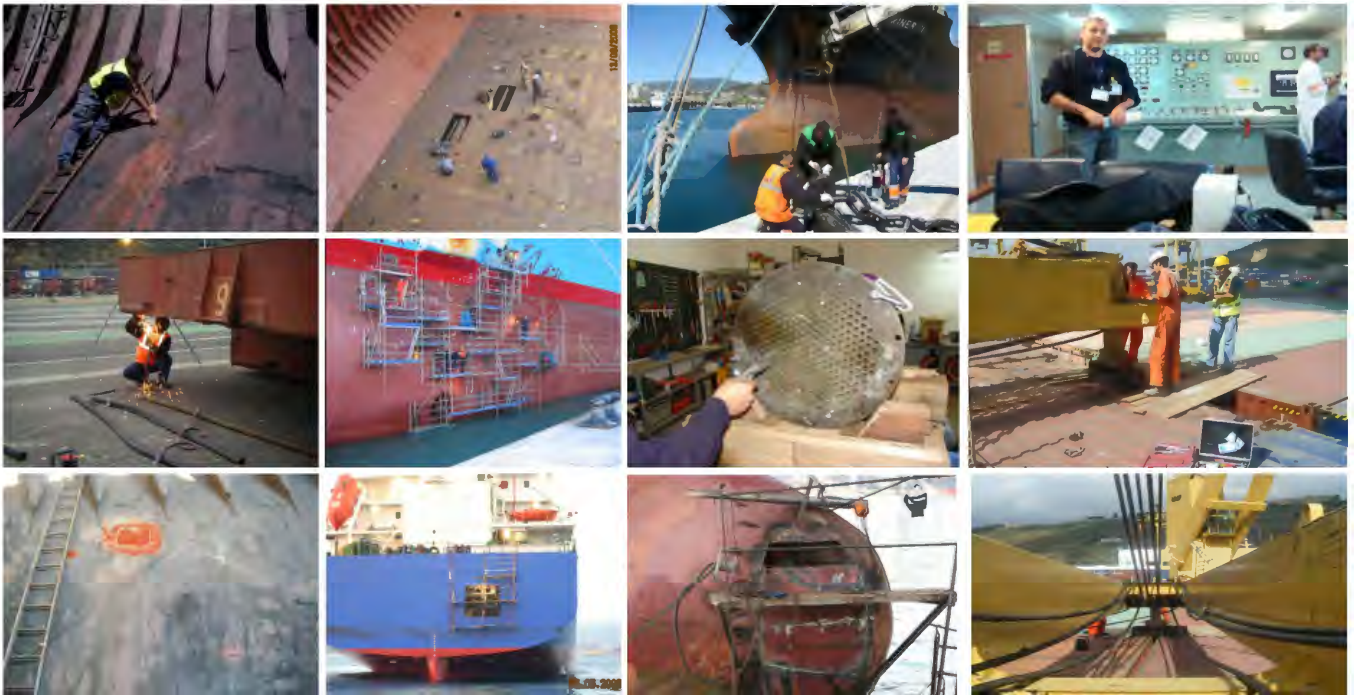

## CLEAN STEAM AND PROCESS SYSTEMS

- Bimetallic thermostatic steam traps
- Balanced pressure thermostatic steam traps
- Steam trap monitoring
- Direct acting pressure reducing valves
- Flow meters for steam , liquids & gases
- Shut-off fittings gauge cock D PN64 ANSI400 (Boiler usage)
- Reflex level gauges (Boiler usage)
- Sleeve packing

## VALVES & INDUSTRIAL EQUIPMENT

- Gate valves, Globe valves (angle&straight) in cast iron , cast steel , stainless steel , bronze - as per JIS , DIN . ANSI standards
- Butterfly valves (various range of usage)
- Non return valves
- Indicator cocks
- Storm valves
- Safety relief valves
- Air pipe heads for ballast tank & oil tank
- Special modifications for all type of valves
- Big range of valves in JIS standards
- Manufacturing gaskets for flexible pipe couplings a.p.s

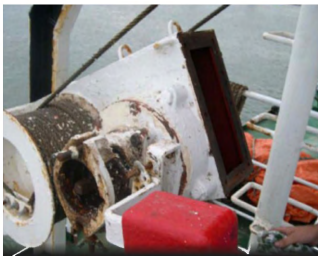

# Repairs

- Steel works and pipe fitting (class approved an not class)
- Hatches repairs and seal changing
- Staging and scaffolding
- Refrigeration repairs
- Engine Major repairs
- Spill cleaning and recovery
- Anchor mounting
- Boiler repairs
- Turbo charger overhaul
- Painting
- Motor rewinding and supply
- Electricity
- De-rusting deck and hatch
- Electrical repair
- Insulations
- Generator repairs
- Machining and Milling
- Laser in-situ alignment
- Polymer refitting
- Electric motor rewinding and rotor balancing
- Generators
- Insulation, exhaust pipes
- economizers ,room ceiling
- Steel wire ropes renew
- Fiber repairs
- Radiator repair
- Heat exchanger re-tubing
- Polymers application
- Pumps overhaul
- Heat exchanger cleaning
- Ultrasonic cleaning

# Inspections

- Life boat annual and five year
- Fire fighting fix system
- Life saving equipment servicing
- Medical oxygen servicing
- Temperature test with thermo graph camera
- Steel wire rope inspection
- Gangways
- Cargo Blocks & Chain blocks
- Fix points
- Life rafts from 6 to 25 persons
- Lifejackets and buoys
- Immersion suit and thermal aid
- Extinguishers, Fire hoses & couplings
- Breathing Apparatus, EEBD
- Safety clothing
- Life boat FPD
- Pilot Ladders & embarkation Ladders

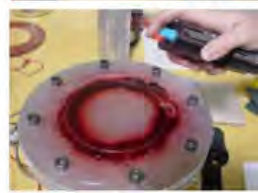

## CALIBRATION

- Gas meters and fix gas station calibrations
- Gauge calibration
- Temperature calibrators servicing and calibration
- UTI calibration

## TEST

- NDT test
- Destructive test
- Thickness gauging
- Load test. Dynamic and static
- Fix system pressure test on deck pipes
- Gangway load test
- Ultrasonic water tightness test
- B/L steel wire rope test
- Inclination test
- Gangways
- Cargo Blocks & Chain blocks
- Fix points

# Marine Survey

- Bunker Surveys
- On/Off Hire Surveys
- Crane Surveys
- Hull & Machinery Surveys
- Vessel & Container Surveys
- Draft Survey
- Loading/unloading quality&quantity control for dry and liquid cargoes
- Sealing/Unsealing hold hatches
- Lashing Survey & Monitoring
- Shore Tank Inspection
- Hold Condition
- Full Condition
- Ship and cargo damage inspection
- Damaged cargo salvage
- Incident investigation
- Pre-Loading Survey
- Container inspection (chassis and cargo un/stuffing)
- Vessel repair management and cost control
- Inspection of all types of vessels, pleasure yachts, sports yachts, naval and dockside machinery, platforms and equipment for work at sea, loading and discharging of cargo
- Control of losses, weights quality, packaging, stevedores, lifting and lashing gear, stowage and lashing gear, drafts and bunkers

# Agency & Services

Since 1998 we are established at Algeciras & Gibraltar Bay, giving the best service to our customers. All that you need for your vessel is possible in this area: Bunkering, provisions, repairs, etc. Including off-port limits operations, with low cost and minimum vessel delays.

At quay, at anchorage or off-port limits

Warehousing and parcel forwarding

Bunker operations

Off port limit operations

Ship yard assistance

Protecting agency

Spare parts delivery service

Underwater inspections and cleanings

Monitoring and reporting of services and repairs

Repair in situ control budgeting

## CRANES

Heavy Lifting expertise

Mobile cranes from 11 tons to 600 tons

Elevation equipment

Lifting of special projects

## TRANSPORT

Transport of small parcels

Transport of medium and consolidated

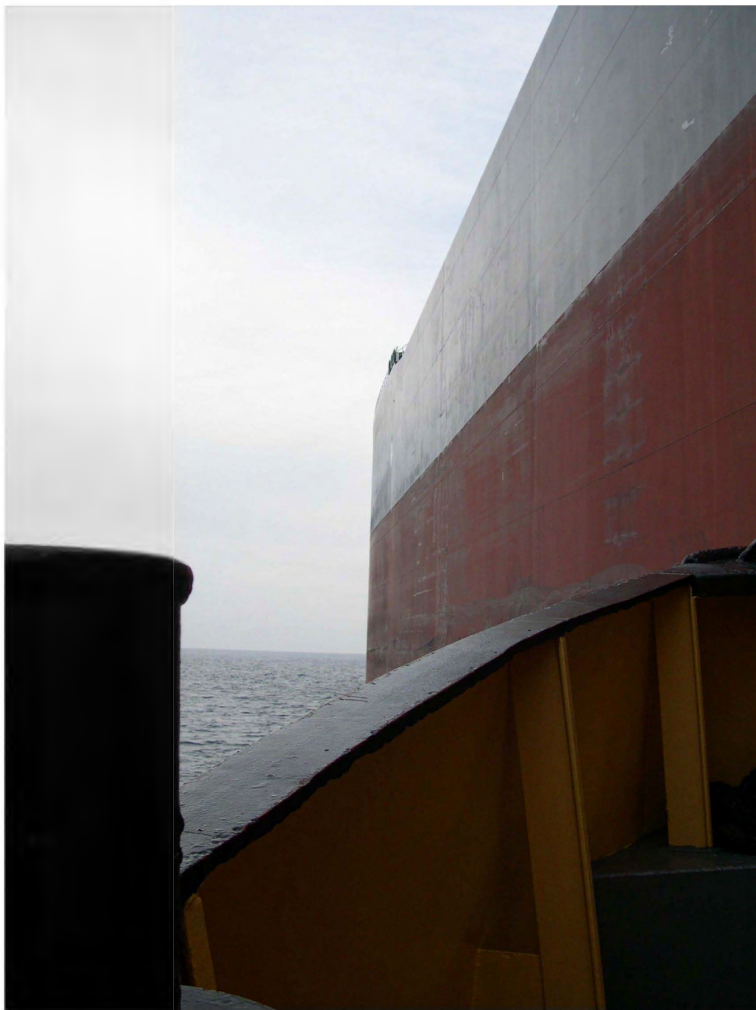

Heavy transport

Special project cargos

Land-sea-Land transport

Container transport in land
